**Join the PTA so you can have a voice in how our PTA funds are directed!**

And on a bigger level, your membership also supports the California State PTA and the National PTA to advocate for legislation impacting children and education.

All this for just \$7.50 per member! Even if you can't help out with school events or in the classroom, your membership shows that you support Proctor Terrace.

### **Make Your Classroom a Winner!**

Each individual's membership will be affiliated with a classroom. Classrooms will be rewarded based on the number of members as a percent of the number of the students in the class. Example: A class with 22 students that has 11 affiliated members would have a 50% participation rate. Each teacher must be a PTA member for their classroom to be eligible for prizes. Last year, ALL the teachers (and the principal) were PTA members. 1<sup>st</sup> class to reach 100% wins \$100 in additional curriculum enrichment funds!

Each class that reaches 100% by November 30 wins \$50 in additional curriculum enrichment funds!

**PTA members can include your family (including your children), friends and neighbors!!!**

You can visit [www.capta.org](http://www.capta.org) for PTA Membership Perks. PTA members get discounts at Legoland, California Academy of Science, Enterprise Car Rentals and much more!
