

WIN
“WHAT I NEED”

WIN TEAMS/HOMEROOM

TEAMS

students will put into teams for both Math and Language Arts

Students will be continually evaluated and assessed every 6-8 weeks to make sure their needs are being met

HOMEROOM

Students will normally meet in their homeroom class Monday-Thursday from 8:05-8:45 and from 12:10-2:25

Your child's homeroom teacher will be your first point of contact

LANGUAGE ARTS

- ✎ All teams consist of skills based lessons according to need
- ✎ All teams will cover basics such as grammar, spelling, as well as reading fluency, mastery and comprehension
- ✎ All teams will use both fiction as well as non-fiction and will be integrating social studies and science
- ✎ All teams will be using anthologies as well as novel sets

MATH

-  Operations and algebraic thinking
-  Number operations
-  Fractions (3rd grade)
-  Measurement and Data
-  Geometry

WRITING

Common Core Aligned Units of Study developed by Lucy Calkins

Narrative

Informative

Opinion

SCIENCE

- 🌀 **Power of Flowers: life cycle, traits and heredity**
- 🌀 **Animals through time: habits, heredity and change over time**
- 🌀 **Invisible forces: motion and magnetism**
- 🌀 **Stormy skies: weather climate, water cycle and natural disasters**
- 🌀 **Field trips: Pepperwood Preserve, Academy of Sciences and Sonoma County Ag Days**

SOCIAL STUDIES
