

¡Disfruta!

After School Spanish Enrichment Program

Children are most receptive to language learning in elementary school, and getting started early helps students to create a language foundation that they will be able to build on in the future.

¡Disfruta! (“enjoy” in Spanish) is a fun and hands-on introduction to Spanish language and culture for children K – 6th grade. In this program, children will learn a variety of vocabulary words and phrases, pronunciation, songs, poems, games and activities in Spanish. The class size is kept small and the instructor is a fluent speaker. Learning is taught in a lively environment, meant to generate curiosity and encourage Spanish conversation. There is no homework, but activities may be sent home with students for extra practice.

Classes will be divided by age group. **Kindergarten-3rd graders will meet on Wednesdays from 1:30-2:15. 3rd-6th graders will meet on Thursdays from 2:30-3:15pm. Classes begin on February 26/27.** Students may register for 5 weeks (every other week) or 10 weeks. Registration is on a first-come basis; if enrollment is full, students will be placed on a waiting list. Maximum class size is 18 students.

To secure enrollment, payment and registration must be received online/mail by February 24.
