SCHOOL OF CREATIVE & PERFORMING ARTS

After-School: Jr. Disney Choir & Watercolors!

Proctor Terrace Elementary School

Art & Soul School is excited to offer new art and music options for after school enrichment classes!

TK - 2nd Grade: Jr. Disney Choir is a fun, group approach to singing for young students. This is a small group class that takes place in a 45 minute class every week. Students will have a say in which Disney songs will be sung in class. Students will be taught proper vocal techniques and introduction to music theory. This is a fun class where kids get to sing Disney songs in a group environment while learning some vocal technique at the same time. Come out and share your favorite Disney songs with us!

3rd - 5th Grade: In Watercolors, students will learn how to create amazing artwork using watercolors as their medium. They will learn about mixing colors and brush stroke technique as well as the basics of art, including foreground/background, line, shape and color. Each week students will create a new artwork to be taken home. Students will create landscapes, still-lives, portraits and more!
